**A BILL FOR AN ACT**

1  
2 Relating to forest fire protection; creating new provisions; amending ORS 477.277, 477.281, 477.295,  
3 477.755, 477.760 and 477.775 and section 11, chapter 685, Oregon Laws 2003; repealing sections  
4 12 and 13, chapter 685, Oregon Laws 2003; and declaring an emergency.

5 Whereas the Legislative Assembly finds that fire suppression benefits the state by protecting  
6 public safety, by maintaining forestland in a condition that can generate forest products, jobs, re-  
7 venue, a stable tax base and other economic benefits and by helping to maintain clean water, clean  
8 air, wildlife habitat, recreational opportunities and other environmental and social benefits; and

9 Whereas the Legislative Assembly finds that members of the general public cause a substantial  
10 portion of fires that occur on protected forestlands; and

11 Whereas the Legislative Assembly finds that it is far better to prevent fires or to suppress them  
12 when the fires are small rather than to allow the occurrence of large fires; and

13 Whereas the Legislative Assembly finds that it is fiscally inefficient to budget forest protection  
14 district resources at a worst-case level for every fire season, and it is sometimes highly beneficial  
15 to provide additional resources for enhanced initial fire response on the basis of predicted severity  
16 or in response to resource availability shortage; now, therefore,

17 **Be It Enacted by the People of the State of Oregon:**

18 **SECTION 1. Section 2 of this 2005 Act is added to and made a part of ORS chapter 477.**

19 **SECTION 2. (1) As part of the preparation of the budget forms submitted to the Oregon**

**NOTE:** Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in **boldfaced** type.

1 Department of Administrative Services pursuant to ORS 291.208 for the State Forestry De-  
2 partment, the State Forester shall prepare, in addition to any amounts budgeted for forest  
3 protection districts pursuant to ORS 477.205 to 477.281, a budget request for a General Fund  
4 appropriation that may be used for any or all of the following:

5 (a) Providing funds for the purchase of insurance under ORS 477.775.

6 (b) Placement of centrally managed fire suppression resources for statewide use.

7 (c) Acquisition of fast-mobilizing, short-term contingency resources to be used based on  
8 predictions of unusually severe fire weather, widespread lightning events or serious resource  
9 shortage due to a heavy fire season.

10 (d) Enhancement of forest protection district resources in limited cases where land pro-  
11 ductivity or other economic factors seriously limit the protection district's ability to provide  
12 adequate funding to meet performance standards.

13 (2) The State Forester shall utilize critical discretion in the expenditure of the funds  
14 provided to the State Forestry Department pursuant to the separate budget request required  
15 under subsection (1) of this section.

16 (3) The State Forester shall report to the Emergency Board, each year, after the close  
17 of the fire season, on:

18 (a) The nature and severity of the fire season;

19 (b) The moneys expended on fire suppression;

20 (c) The rationale for the expenditures; and

21 (d) The balance remaining from the biennial appropriation.

22 SECTION 3. Section 4 of this 2005 Act is added to and made a part of ORS 477.064 to  
23 477.120.

24 SECTION 4. (1) The State Forester, or any agency or organization with responsibility  
25 under this chapter to suppress fires, may not prohibit an owner or the owner's agent from  
26 suppressing a fire occurring on the owner's property or that poses a threat to the owner's  
27 property.

28 (2) Notwithstanding subsection (1) of this section, the forester, agency or organization  
29 may prohibit an owner or the owner's agent from suppressing a fire if:

30 (a) The owner or agent conducts the action in a manner that the forester, agency or  
31 organization reasonably determines is likely to increase the risk of injury or damage to the  
32 personnel or equipment of the forester, agency or organization; or

33 (b) The forester, agency or organization reasonably determines that a fire should con-  
34 tinue to burn at a particular location. In making a determination under this paragraph, the  
35 forester, agency or organization shall consider sound fire suppression tactics and balance the  
36 value to the public interest in allowing a fire to burn against the damage that the fire will  
37 cause.

38 SECTION 5. Section 6 of this 2005 Act is added to and made a part of ORS 477.205 to  
39 477.281.

43 (b) The increases to taxes, assessments and charges shall be apportioned based upon the  
44 proportionate levels of revenues received from each source by the Oregon Forest Land Protection  
45 Fund. Any such increases shall be computed on or before January 1 of each year, and shall be based

1 upon revenues received during the previous four quarters. Any such increases shall be made in the

22 **the following fiscal year.**~~

23 (b) **\$30 million, and that no repayment obligations are outstanding from transfers made**  
24 **pursuant to subsection (2) of this section, then the Department of Revenue may not collect**  
25 **the taxes described in ORS 321.015 (2) for the following calendar year and the surcharge for**  
26 **each improved lot or parcel described in ORS 477.277 and the assessments described in ORS**

31 this section are inadequate to cover repayment of transfers from the State Treasurer or from other  
32 sources, the State Forester shall increase the following taxes, assessments and charges in an amount  
33 adequate to [~~assure~~] **ensure** repayment of the transfers, and any interest accrued thereon, allowing

38 (D) The acreage assessments referred to in ORS 477.880 (2).

39 (b) The increases to taxes, assessments and charges shall be apportioned based upon the  
40 proportionate levels of revenues received from each source by the Oregon Forest Land Protection  
41 Fund. Any such increases shall be computed on or before January 1 of each year, and shall be based  
42 upon revenues received during the previous four quarters. Any such increases shall be made in the
