5 (3) In the case of a resident decedent owning property outside of the jurisdiction of this state  
6 at the time of death, the tax imposed under this section shall be the amount determined under sub-  
7 section (2) of this section multiplied by a ratio. The numerator of the ratio shall be the sum of the  
8 appraised value of the decedent’s real property located in Oregon, tangible personal property located  
9 in Oregon and intangible personal property located both in and outside of Oregon. The denominator  
10 of the ratio shall be the total appraised value of the decedent’s gross estate.

11 (4)(a) In the case of a nonresident decedent owning property within the jurisdiction of this state  
12 at the time of death, the tax imposed under this section shall be the amount determined under sub-  
13 section (2) of this section multiplied by a ratio. The numerator of the ratio shall be the sum of the  
14 appraised value of the decedent’s real property located in Oregon, tangible personal property located  
15 in Oregon and intangible personal property located in Oregon. The denominator shall be the total  
16 appraised value of the decedent’s gross estate.

17 (b) Intangible personal property of a nonresident decedent *[shall]* **may** not be included in the  
18 numerator of the ratio used to determine the tax under this subsection if a similar exemption is  
19 made by the laws of the state or country of the decedent’s residence in favor of residents of this  
20 state.

21 *[(5) In the case of decedents dying before January 1, 2003, if federal estate tax credits other than*  
22 *the state death tax credit result in no federal estate tax, no tax shall be imposed under this section.]*

23 *[(6)]* (5) Payment, in whole or in part, of inheritance and estate taxes from funds of an estate  
24 or trust on any benefit subject to tax under ORS 118.005 to 118.840 is not to be considered as a

26 *[(7) If the federal taxable estate is determined by making an election under section 2032 or 2056*  
27 *of the Internal Revenue Code or another provision of the Internal Revenue Code, or if a federal estate*  
28 *tax return is not required under the Internal Revenue Code, the Department of Revenue may adopt*  
29 *rules providing for a separate election for state inheritance tax purposes.]*

30 **SECTION 4.** ORS 118.100 is amended to read:

31 118.100. (1) The tax provided for in ORS 118.010 shall be paid to the Department of Revenue on  
32 the date the federal estate tax is payable. If interest is paid on federal estate tax installments re-  
33 sulting in a reduction of the federal estate tax, and the department determines, pursuant to an  
34 amended return or refund claim, that the amount of tax imposed by ORS 118.010 is less than the  
35 amount theretofore paid, the excess tax shall be refunded by the department with interest at the  
36 rate established by ORS 305.220 for each month or fraction thereof during a period beginning on the  
37 date the amended return or refund claim is filed to the time the refund is made.

38 (2) If the amount of federal estate tax reported on a United States estate tax return is changed  
39 or corrected by the Internal Revenue Service or other competent authority, resulting in a change  
40 in the *[maximum state death tax credit allowable under the federal estate tax law]* **amount of tax due**  
41 **under ORS 118.005 to 118.840**, the executor shall report the change or correction in federal estate  
42 tax to the department. If the federal change or correction results in a reduction *[of the allowable*  
43 *state death tax credit]* **in the amount of tax due**, the report of the change or correction shall be  
44 treated by the department as a claim for refund pursuant to ORS 305.270 and, notwithstanding the  
45 limitations of ORS 305.270, shall be deemed timely if filed with the department within two years af-

1 ter the federal correction was made. If the change or correction results in an increase in the [*state*  
2 *death tax credit allowable on the federal estate tax return*] **amount of tax due**, the department may  
3 issue a notice of deficiency within two years after the federal change or correction was made or  
4 within two years after receiving a report of the federal change or correction, whichever is the later.  
5 Any executor filing an amended federal estate tax return shall also file an amended return with the  
6 department within 90 days thereafter.

7 (3)(a) In the case of an estate that contains property that is valued under section 2032A of the  
8 Internal Revenue Code for federal estate tax purposes (relating to the valuation of certain farm or  
9 other property) and that ceases to qualify for valuation under section 2032A, an additional tax under  
10 ORS 118.005 to 118.840 shall be imposed. The additional tax shall equal the amount of [*any increase*  
11 *in the state death tax credit allowable under section 2011 of the Internal Revenue Code*] **the increase**  
12 **in the taxable estate of the decedent** that is attributable to the change in the value of the estate  
13 resulting from the imposition of additional federal estate tax under section 2032A, **multiplied by**  
14 **the applicable tax rate under ORS 118.010.**

15 (b) The department shall be notified of the disqualification of the property from valuation under  
16 section 2032A in the same time and manner as the federal Internal Revenue Service is notified of  
17 the disqualification.

18 (c) The period for assessment of the tax imposed under this subsection, including any penalty  
19 or interest, shall be two years from the date on which the department receives the notice described  
20 in paragraph (b) of this subsection.

21 (d) The other provisions of ORS 118.005 to 118.840 and ORS chapter 305 shall apply to the ad-  
22 ditional tax imposed under this subsection in the same manner in which those provisions apply to  
23 the tax imposed under ORS 118.010.

24 (4) For purposes of this section, a change or correction of a United States estate tax return is  
25 deemed to be made on the date of the federal audit report.

26 (5) The executor shall, upon request of the department, supply a copy of the United States estate

45 (3) The Department of Revenue must be notified of the qualified family-owned business interest
