27 amended return or refund claim, that the amount of tax imposed by ORS 118.010 is less than the

34 **under ORS 118.005 to 118.840**, the executor shall report the change or correction in federal estate

38 limitations of ORS 305.270, shall be deemed timely if filed with the department within two years af-
39 ter the federal correction was made. If the change or correction results in an increase in the [*state*
40 *death tax credit allowable on the federal estate tax return*] **amount of tax due**, the department may
41 issue a notice of deficiency within two years after the federal change or correction was made or
42 within two years after receiving a report of the federal change or correction, whichever is the later.
43 Any executor filing an amended federal estate tax return shall also file an amended return with the

4 *in the state death tax credit allowable under section 2011 of the Internal Revenue Code*] **the increase**
5 **in the taxable estate of the decedent** that is attributable to the change in the value of the estate
6 resulting from the imposition of additional federal estate tax under section 2032A, **multiplied by**

15 ditional tax imposed under this subsection in the same manner in which those provisions apply to
16 the tax imposed under ORS 118.010.

17 “(4) For purposes of this section, a change or correction of a United States estate tax return is
18 deemed to be made on the date of the federal audit report.
