AN ACT

Relating to public records; amending ORS 181.854 and 192.502.

**Be It Enacted by the People of the State of Oregon:**

**SECTION 1.** ORS 192.502 is amended to read:

192.502. The following public records are exempt from disclosure under ORS 192.410 to 192.505:

(1) Communications within a public body or between public bodies of an advisory nature to the extent that they cover other than purely factual materials and are preliminary to any final agency determination of policy or action. This exemption shall not apply unless the public body shows that in the particular instance the public interest in encouraging frank communication between officials and employees of public bodies clearly outweighs the public interest in disclosure.

(2) Information of a personal nature such as but not limited to that kept in a personal, medical or similar file, if public disclosure would constitute an unreasonable invasion of privacy, unless the public interest by clear and convincing evidence requires disclosure in the particular instance. The party seeking disclosure shall have the burden of showing that public disclosure would not constitute an unreasonable invasion of privacy.

(3) Public body employee or volunteer addresses, Social Security numbers, dates of birth and telephone numbers contained in personnel records maintained by the public body that is the employer or the recipient of volunteer services. This exemption:

(a) Does not apply to the addresses, dates of birth and telephone numbers of employees or volunteers who are elected officials, except that a judge or district attorney subject to election may seek to exempt the judge's or district attorney's address or telephone number, or both, under the terms of ORS 192.445;

(b) Does not apply to employees or volunteers to the extent that the party seeking disclosure shows by clear and convincing evidence that the public interest requires disclosure in a particular instance;

(c) Does not apply to a substitute teacher as defined in ORS 342.815 when requested by a professional education association of which the substitute teacher may be a member; and

(d) Does not relieve a public employer of any duty under ORS 243.650 to 243.782.

(4) Information submitted to a public body in confidence and not otherwise required by law to be submitted, where such information should reasonably be considered confidential, the public body has obliged itself in good faith not to disclose the information, and when the public interest would suffer by the disclosure.

(5) Information or records of the Department of Corrections, including the State Board of Parole and Post-Prison Supervision, to the extent that disclosure would interfere with the rehabilitation of

a person in custody of the department or substantially prejudice or prevent the carrying out of the functions of the department, if the public interest in confidentiality clearly outweighs the public interest in disclosure.

(6) Records, reports and other information received or compiled by the Director of the Department of Consumer and Business Services in the administration of ORS chapters 723 and 725 not otherwise required by law to be made public, to the extent that the interests of lending institutions, their officers, employees and customers in preserving the confidentiality of such information outweighs the public interest in disclosure.

(7) Reports made to or filed with the court under ORS 137.077 or 137.530.

(8) Any public records or information the disclosure of which is prohibited by federal law or regulations.

(9) Public records or information the disclosure of which is prohibited or restricted or otherwise made confidential or privileged under Oregon law.

(10) Public records or information described in this section, furnished by the public body originally compiling, preparing or receiving them to any other public officer or public body in connection with performance of the duties of the recipient, if the considerations originally giving rise to the confidential or exempt nature of the public records or information remain applicable.

(11) Records of the Energy Facility Siting Council concerning the review or approval of security programs pursuant to ORS 469.530.

(12) Employee and retiree address, telephone number and other nonfinancial membership records and employee financial records maintained by the Public Employees Retirement System pursuant to ORS chapters 238 and 238A.

(13) Records submitted by private persons or businesses to the State Treasurer or the Oregon Investment Council relating to proposed acquisition, exchange or liquidation of public investments under ORS chapter 293 may be treated as exempt from disclosure when and only to the extent that disclosure of such records reasonably may be expected to substantially limit the ability of the Oregon Investment Council to effectively compete or negotiate for, solicit or conclude such transactions. Records which relate to concluded transactions are not subject to this exemption.

(14) The monthly reports prepared and submitted under ORS 293.761 and 293.766 concerning the Public Employees Retirement Fund and the Industrial Accident Fund may be uniformly treated as exempt from disclosure for a period of up to 90 days after the end of the calendar quarter.

information is in a form which would permit identification of the individual concern or enterprise. Nothing in this subsection shall limit the use which can be made of such information for regulatory purposes or its admissibility in any enforcement proceedings. The public body shall notify the taxpayer of the delinquency immediately by certified mail. However, in the event that the payment or delivery of transient lodging taxes otherwise due to a public body is delinquent by over 60 days, the public body shall disclose, upon the request of any person, the following information:

(a) The identity of the individual concern or enterprise that is delinquent over 60 days in the payment or delivery of the taxes.
