**SECTION 28.** ORS 407.185 is amended to read:

407.185. In addition to, and not in lieu of, the audit required by ORS 297.210 the [Director] **Department** of Veterans' Affairs may contract with an independent public accountancy organization for a review of the cash flow projection for the loan program established under this chapter and Article XI-A of the Oregon Constitution and of the assumptions used in developing that projection. The review shall be conducted in accordance with the review guidelines developed by the American Institute of Certified Public Accountants (AICPA). Such contract shall require a written report, copies of which shall be provided to the Governor, the Secretary of State, the State Treasurer, the President of the Senate, and the Speaker of the House of Representatives by the [director] **department** no later than December 31 of each year. Payment for the services required under the contract shall be paid from funds appropriated for the administration of the department [of Veterans' Affairs].

**SECTION 29.** ORS 407.201 is amended to read:

407.201. (1) When making a loan or otherwise extending credit under this chapter with moneys from the Oregon War Veterans' Fund, the [Director] **Department** of Veterans' Affairs shall comply with Title I (Truth in Lending Act) of the Consumer Credit Protection Act, as amended (15 U.S.C. 1601 et seq.) in the same manner required for a bank or national bank, as defined in ORS 706.008, when the bank extends credit in a transaction in which a security interest in real property is or will be acquired.

(2) In addition to the requirements of subsection (1) of this section, the [*director*] **department** shall notify each person seeking to acquire a home or farm under this chapter, prior to the signing of a loan agreement or contract, of the variable interest rate provisions of ORS 407.275, 407.315, 407.325 and 407.335. Information required to be disclosed under this subsection includes a history of the interest rate increases on loans during the preceding 10 years and an estimate of the financial effect that an increase of one percent in the interest rate will have on the borrower's obligation under the mortgage, contract or other security agreement.

**SECTION 30.** ORS 407.205 is amended to read:

407.205. (1) Applications for loans for acquisition of a home or farm under this chapter shall be made to the [*Director*] **Department** of Veterans' Affairs. Loans exclusive of funds disbursed under ORS 407.145 (2) and 407.275 (4) shall not exceed the maximum original principal balance permitted on a single-family first mortgage loan by the Federal National Mortgage Association, as published in its announcements and subsequently included in its Selling Guide, for a home or \$185,000 for a farm at a rate of interest provided by ORS 407.325. Except as provided in subsection (2) of this section, an eligible individual shall not receive or, under ORS 407.305, assume more than two loans under this chapter. No applicant is entitled to borrow more than the maximum amount allowed under this section, except that [*where*] **when** a loan is made on property which is destroyed by fire or other natural hazard, taken through condemnation or lost or disposed of for a compelling reason devoid of fault on the part of the applicant and [*where*] **when** the loan is repaid or the property is transferred by deed or otherwise, [*such*] **the** loan may be excluded from consideration in computing the maximum loan allowable. However, the loan right provided in this section may be restored not more than once while an unrepaid balance remains on a previous loan granted to the applicant.

(2) The [*director*] **department** may allow an eligible individual to receive or, under ORS 407.305, assume more than two loans under this chapter when:

(a) The loan received or assumed is an additional loan made for the improvement of the farm or home acquired with an initial loan for the acquisition of that property; or

(b) The last official certification of record by the United States Department of Veterans Affairs or any branch of the Armed Forces of the United States shows the eligible individual to be at least 50 percent disabled. However, a loan may be made to an eligible disabled veteran under this paragraph only if the veteran must acquire a different principal residence for compelling medical reasons or because the veteran is transferred by an employer for employment purposes or because the veteran's spouse is transferred by an employer for employment purposes and the spouse provides more than 50 percent of the household income.

(3) For the purposes of this section, an applicant owns a home when the applicant has fee simple title to the home or is the purchaser of the home under a contract of sale or other instrument of sale. Earnest money or preliminary sales agreements, options or rights of first refusal are not contracts or instruments of sale under this subsection.

(4) As used in this section, "home" includes mobile homes and houseboats.

**SECTION 31.** ORS 407.225 is amended to read:

407.225. (1) When the [*Director*] **Department** of Veterans' Affairs receives an application pursuant to ORS 407.205, the [*director*] **department** shall immediately investigate and process it as provided by law. The security for the loan shall consist of the property to be acquired by the veteran as a home or a farm. The security shall be secured by a mortgage or security agreement in the full amount of the loan which mortgage or security agreement shall be either a first lien or a lien insured by mortgagee's title insurance against loss from any prior encumbrance. The [*director*] **department** may make subsequent loans for improvements to the security if there are no intervening liens between the first lien of the [*director*] **department** created under this section and the recorded liens upon the security securing repayment of such subsequent improvement loans. Such consecutive liens, for the purposes of this chapter, shall be deemed collectively as a first lien upon the security. The mortgage or security agreement shall provide that the borrower, or any subsequent owner of the secured property, may pay all or any part of the loan at any time without penalty.

(2) A mobile home shall be secured by a security agreement in the full amount of the loan and the [director] **department** shall perfect a security interest in favor of the State of Oregon. The security agreement shall provide that the borrower or any subsequent owner of the mobile home, may pay all or any part of the loan at any time without penalty. The security agreement shall provide for immediate acceleration of the unpaid balance of the loan if the mobile home is moved from the original site listed in the security agreement without first obtaining the written consent of the [director] **department**. The security agreement shall also provide that removal of the mobile home to a site outside of this state shall constitute an act of default and result in immediate acceleration of the unpaid balance of the loan.

(3) Loans shall not exceed: 97 percent of the net appraised value on homes which are real property; 85 percent of the net appraised value on homes which are not real property; and 90 percent of the net appraised value on farms which are real property.

**SECTION 32.** ORS 407.275 is amended to read:

407.275. (1) Loans may be made bearing interest at the rate per annum prescribed as provided by ORS 407.325. Loans may be amortized over a period of not more than 30 years for homes other than mobile homes and not more than 40 years for farms. Loans for mobile homes may be amortized over a period not exceeding the expected life of the mobile home, as determined by the [Director] **Department** of Veterans' Affairs. The limitations contained in this subsection shall not preclude the [director] **department** from later extending the amortization period.

(2) If the ownership of the secured property is transferred by deed or otherwise to anyone other than the original borrower, the surviving spouse, unremarried former spouse, surviving child or stepchild of the original borrower, a governmental entity when the secured property is transferred for public use or a veteran eligible for a loan under this chapter and Article XI-A of the Oregon Constitution, who assumes the previous loan for the property as described in ORS 407.305, the interest from the date of transfer shall be at the rate per annum then fixed as provided by ORS 407.335. However, the [director] **department**, during the term of the loan, may periodically prescribe the interest rates to be paid by the transferee.

(3) Ownership of property that constitutes security for a loan made under this chapter and Article XI-A of the Oregon Constitution [shall] **may** not be transferred by deed or otherwise to anyone other than the surviving spouse, unremarried former spouse, surviving child or stepchild of the original borrower, or a veteran eligible for a loan under this chapter and Article XI-A of the Oregon Constitution, who assumes the previous loan as described in ORS 407.305, unless the property is used primarily as the principal residence of the transferee for at least two years after the transfer or such shorter period of time as the [director] **department** for good cause may allow.

(4) Mortgages, trust deeds or security agreements on property given to secure any loan made under ORS 407.125 or statutes supplementary thereof may provide that the taxes and insurance premiums may be paid by the [director] **department** from the Oregon War Veterans' Bond Sinking Account. The amount so paid may be added to and become part of the principal of the loan and be repaid as prescribed by the [director] **department**. The [director] **department** may prescribe any method or period for repayment of the amount so paid that is not in conflict with the mortgage, trust deed or security agreement. The [director] **department** may prescribe any method or period for repayment of interest on the amount so paid that is not in conflict with the mortgage, trust deed, security agreement or a separate agreement with the borrower.

**SECTION 33.** ORS 407.285 is amended to read:

407.285. (1) Notwithstanding the repeal of section 5, chapter 11, Oregon Laws 1982 (first special session), during the term of a loan for which the interest rate was initially fixed under section 5, chapter 11, Oregon Laws 1982 (first special session), the [Director] **Department** of Veterans' Affairs may periodically prescribe the interest rate to be paid by the transferee. However, the interest rate for such loans [shall] **may** not at any time be less than the rate initially fixed under section 5, chapter 11, Oregon Laws 1982 (first special session), nor exceed a rate per annum which is one percent higher than the rate initially fixed under section 5, chapter 11, Oregon Laws 1982 (first special session).

(2) The [director] **department** may prescribe the interest rate to be paid by the transferee at a rate greater than the rate described in subsection (1) of this section, but only to the extent necessary to avoid invoking the provisions of section 4, Article XI-A of the Oregon Constitution.

**SECTION 34.** ORS 407.295 is amended to read:

407.295. When an ownership interest or possession of a home or farm securing a loan received under this chapter is transferred to the spouse or former spouse of the original borrower as a result of any judicial order or judgment, the [Director] **Department** of Veterans' Affairs shall be notified in writing of the transfer by the transferee not later than 30 days after the transfer occurs. If the original borrower remains obligated under the order or judgment to make the payments on the principal and interest of the loan, the [director] **department** shall notify the transferee when any such loan payment is not received by the 30th day after the payment is due.

**SECTION 35.** ORS 407.315 is amended to read:

407.315. (1) When a veteran assumes a previous loan under ORS 407.305, the interest rate to be paid by the veteran from the date of assumption shall be the rate per annum prescribed periodically by the [Director] **Department** of Veterans' Affairs, taking into consideration the solvency of the loan program and the interest rates currently prevailing in this state for loans secured by owner-occupied residential property.

(2) The [director] **department** shall make a cash flow projection to determine if assumptions at the interest rate established under subsection (1) of this section are among the causes of a negative cash flow projection for the loan program. The cash flow projection required by this section shall be an estimate of the revenue received from the repayment of mortgages, interest earnings, administrative expenses of the loan program, payment of interest and principal on outstanding debt and other relevant factors during the period in which current outstanding bonds are required to be retired.

(3) If the cash flow projection required under subsection (2) of this section indicates that assumptions of loans at the interest rate established under subsection (1) of this section are a cause of a negative cash flow projection for the loan program, the [director] **department**, by rule and notwithstanding ORS 407.325 (2), shall increase the interest rate to be paid for loans assumed under ORS 407.305 to the lowest rate per annum that assures a positive cash flow projection, but not exceeding the rate then prescribed under ORS 407.325.

**SECTION 36.** ORS 407.325 is amended to read:

407.325. (1) The [Director] **Department** of Veterans' Affairs, with the advice of the Advisory Committee, will periodically, during the term of the loan, prescribe the interest rates to be paid by the applicant, taking into consideration the current value of the money, the solvency of the loan program, and the rates' effect on veterans. If the [director] **department**, after considering the factors specified in this section, determines that there is an economic need for a higher rate of interest on loans made for the acquisition of mobile homes and houseboats, the [director] **department** shall prescribe the rate of interest for the acquisition of a mobile home or houseboat at not higher than two percent more per annum than the basic rate established by this section.

(2) Except as provided in subsection (3) of this section:

(a) The rate of interest on loans granted on or after May 27, 1971, and originally set at five and nine-tenths percent per annum [shall] **may** not be increased to more than seven and nine-tenths percent per annum.

(b) The rate of interest on loans granted on or after January 1, 1981, and originally set at seven and two-tenths percent per annum [shall] **may** not be increased to more than nine and two-tenths percent per annum.

(c) The rate of interest on a loan granted on or after May 27, 1971, for the acquisition of a mobile home or houseboat originally set at seven and nine-tenths percent per annum [shall] **may** not be increased to more than nine and nine-tenths percent per annum.

(3) The [director] **department** may prescribe the interest rates to be paid by the applicant at a rate greater than the rates described in subsection (2) of this section, but only if the [director] **department** determines, at the sole discretion of the [director] **department**, that such action reduces

the probability that invoking the provisions of section 4, Article XI-A of the Oregon Constitution will become necessary.

(4) When, during two consecutive fiscal years, the cash flow projection and the review of the projection performed under ORS 407.185 indicate that the Oregon War Veterans' Bond Sinking Account will maintain a balance throughout the term of the projections that exceeds the succeeding years' debt service and operating expenses for the loan program, the [director] **department** shall prepare a program for reducing the interest rates charged under this section in such a manner as to insure the future solvency and self-supporting nature of the loan program. However, no reduction in interest rates shall occur if the variable rate debt, if converted to a fixed rate, requires retention of the amounts in order to meet projections.

(5) Notwithstanding the rate prescribed for acquisition of a home as provided in subsections (1) to (4) of this section, the [director] **department** may periodically establish separate and distinct interest rates for home improvement loans.

**SECTION 37.** ORS 407.327 is amended to read:

407.327. (1) The [Director] **Department** of Veterans' Affairs may prescribe fixed or variable rates on the following:

(a) Loans or purchase contracts made after September 27, 1987, for acquisition of homes or farms.

(b) Obligations on loans or purchase contracts made on or before September 27, 1987, where ownership of the property subject to the loan or purchase contract is transferred after September 27, 1987.

(2) The [director] **department** may modify loan agreements or purchase contracts made before September 27, 1987, by changing fixed interest rates to variable or variable interest rates to fixed, if all the parties to such loan agreements or contracts agree in writing to such modification.

**SECTION 38.** ORS 407.335 is amended to read:

407.335. (1) The rate of interest referred to in ORS 407.275 (2) shall be prescribed periodically by the [Director] **Department** of Veterans' Affairs, taking into consideration the solvency of the loan program and the interest rates currently prevailing in this state for loans secured by residential property. However, a transfer [shall] **may** not be made at a rate lower than the interest rate existing on the loan immediately prior to the transfer.

(2) When the [director] **department** considers it necessary to change the rate of interest under subsection (1) of this section, the [director] **department**, after 30 days' notice to the public, may prescribe a new rate under this section.

(3) During the term of a loan for which the interest rate was initially prescribed under subsection (1) of this section, the [director] **department** may periodically prescribe the interest rate to be paid by the transferee. However, the interest rate for such loans [shall] **may** not at any time be less than the rate initially prescribed under subsection (1) of this section nor exceed a rate which is one percent higher than the rate initially prescribed under subsection (1) of this section.

(4) The [director] **department** may prescribe the interest rate to be paid by the transferee at a rate greater than the rate described in subsection (3) of this section, but only to the extent necessary to avoid invoking the provisions of section 4, Article XI-A of the Oregon Constitution.

(5) Except for a sale or transfer to the original borrower, the surviving spouse, unremarried former spouse, surviving child or stepchild of the original borrower, or a veteran eligible for a loan under this chapter and Article XI-A of the Oregon Constitution, only one sale or transfer of the property referred to in ORS 407.275 (2) is permitted after July 20, 1983. In the event of a second sale or transfer of the property, or any part thereof, the entire unpaid balance of the loan for the property may become immediately due and payable at the discretion of the [director] **department** as prescribed by rule.

**SECTION 39.** ORS 407.349 is amended to read:

407.349. When a periodic installment payment due under a loan agreement or purchase contract made pursuant to this section and ORS 407.169 or under a prior agreement or contract authorizing a late charge is not received by the [Director] **Department** of Veterans' Affairs by the due date, the

[*director*] **department** may impose a late charge with respect to any such payment as prescribed in ORS 86.160 to 86.185.

**SECTION 40.** ORS 407.375 is amended to read:

407.375. (1) When the [*Director*] **Department** of Veterans' Affairs offers for sale a home or farm obtained for and in behalf of the state under ORS 407.135 and 407.145 (1), the [*director*] **department** shall provide notice of the proposed sale to prospective purchasers. The notice shall state the minimum bid that will be accepted.

(2) Subject to subsection (3) of this section, the [*director*] **department** shall accept the highest such bid or offer received during the 15-day period after a home or farm acquired under ORS 407.135 or 407.145 (1) is first offered for sale unless the person making the highest bid or offer is disqualified from such purchase based on prior credit history, inadequate income or other grounds for refusal established in rules adopted by the [*director*] **department**. Prior to such refusal, the person making the highest bid or offer shall be given the opportunity to purchase the property for cash.

(3) When the highest bid under subsection (2) of this section is made by a person who is not eligible for a loan under Article XI-A of the Oregon Constitution, the person who submits the highest bid or offer received from those persons eligible for a loan under Article XI-A of the Oregon Constitution shall be given the opportunity to purchase the property for the amount bid by the highest bidder. The property must be purchased by matching the highest bid within a period of time and at a place specified by rule of the [*director*] **department**.

(4) When the [*director*] **department** sells a home or farm obtained under ORS 407.135 or 407.145 (1) to a person, the [*director*] **department** may accept improvement of the property by such purchaser in lieu of other means of satisfying the requirements of ORS 407.225 (3). For the purpose of this section, all purchasers are subject to the provisions of ORS 407.225 (3). The [*director*] **department** shall require the purchaser to provide an improvement plan containing a description of the proposed improvements to be made and the cost of the necessary work and materials. An appraiser employed by the [*director*] **department** must certify that the ratio of the purchase price and the net appraised value of the home and farm after the proposed improvement is completed will satisfy the requirements of ORS 407.225 (3). The [*director*] **department** may then approve the sale subject to the condition that the improvement of the home or farm be completed within 180 days after purchase. Failure by the applicant to complete the improvement within the time allowed shall be considered a breach of the purchase agreement and grounds for foreclosure by the [*director*] **department**. Upon timely application and a showing that the improvement cannot be completed within the time allowed because of circumstances beyond the applicant's control, the [*director*] **department** may grant the applicant an additional period not to exceed 180 days in which to complete the improvement.

(5) The rate of interest for a contract made for the acquisition of a home or farm obtained by the [*director*] **department** under ORS 407.135 or 407.145 (1) shall be the rate per annum prescribed by the [*director*] **department**.

(6) Notwithstanding subsection (5) of this section, if the provisions of subsections (1) to (3) of this section have been complied with and no satisfactory bid has been received, the [*director*] **department**, after considering the time value of money, may sell the home or farm at a private negotiated sale at any price or at any rate of interest, either fixed or variable, that the [*director*] **department** considers to be necessary and prudent to sell the property and that provides an economic benefit to the home and farm loan program that is equivalent to the property being marketed at the current appraised value of the property and the rate prescribed under subsection (5) of this section.

(7) Except as provided in this subsection, redemption of a home or farm obtained and sold by the [*director*] **department** under ORS 407.135 or 407.145 (1) shall be made as provided in ORS 18.565 to 18.594. When the [*director*] **department** accepts improvement of property by a purchaser in lieu of purchase money or cash down payment under subsection (4) of this section, redemption shall be made by paying an amount equal to the fair market value of those improvements actually made to the property under the improvement plan described in subsection (4) of this section, with interest

thereon at the rate of nine percent per annum from the date of sale. The [director] **department** shall determine the fair market value of the improvements and such amount shall be paid in addition to the amount of purchase money and interest thereon required under ORS 18.582 (2).

**SECTION 41.** ORS 407.377 is amended to read:

407.377. If the [Director] **Department** of Veterans' Affairs enters into any personal services contract under which any other person is authorized to sell or manage homes or farms obtained for and in behalf of this state under ORS 407.135 and 407.145 (1), then ORS 407.375 may not apply to the sale of such homes or farms by that person.

**SECTION 42.** ORS 407.385 is amended to read:

407.385. (1) Money received as a loan under this chapter shall be used only for the acquisition of a home or farm.

(2) Except as provided in this section, use of all or any part of a loan received under this chapter for investment or any purpose other than the acquisition of a home or farm constitutes an act of default and results in immediate acceleration of the unpaid balance of the loan.

(3) When the [Director] **Department** of Veterans' Affairs determines that a borrower is using loan moneys in violation of this section, the [director] **department** shall immediately commence any action or proceeding necessary to recover for the state those moneys or any property obtained therewith.

(4) A failure by a borrower to move into the home or farm securing the borrower's loan and to use it as the borrower's principal residence within 60 days after the loan or assumption is made, or within such extension as may be granted in writing by the [director] **department**, shall be conclusively presumed to constitute a violation of this section. A request for an extension for good cause shall be made in writing within the 60-day period. The applicant may file a written request for a hearing within 30 days after a denial of the request for extension.

(5) The [director shall] **department may** not approve any rental or lease of a home or farm that affects the federally tax exempt status of bonds issued under Article XI-A of the Oregon Constitution. When the rental or lease does not affect the federally tax exempt status of such federally tax exempt bonds, the [director] **department** may approve in writing the rental or lease of a home or farm after the home or farm is used as the principal residence of the borrower. The [director] **department** may establish factors to consider when determining whether to approve the rental of a home or farm.

**SECTION 43.** ORS 407.415 is amended to read:

407.415. In order to provide funds for the purposes specified in Article XI-A of the Oregon Constitution, bonds may be issued in accordance with the provisions of ORS 286.031 to 286.061. Bonds issued under this section may be issued on a federally tax exempt or taxable basis. Bonds issued on a federally tax exempt basis may be issued under any applicable provisions of the Internal Revenue Code as may be determined by the [Director] **Department** of Veterans' Affairs. The [director] **department** shall enter into such covenants and agreements with bondholders as may be necessary or appropriate to maintain the federally tax exempt status of interest on bonds issued on a federally tax exempt basis.

**SECTION 44.** ORS 407.425 is amended to read:

407.425. In issuing bonds under ORS 407.415, the State Treasurer may structure an issue of bonds with regard to amounts, maturity dates, interest rates and such other terms and conditions of the bonds. In order to meet the specific requirements of a selected group of applicants for loans under this chapter and before asking the State Treasurer to structure an issue of bonds under this authority, the [Director] **Department** of Veterans' Affairs may consider factors including, but not limited to, the number of applications and loans on hand, the amount of debt that will be financed or refinanced by the issue, directly or indirectly, the solvency of the program as a whole, the current value of money, the condition of the tax exempt and taxable bond markets and the effect of the issue on all veterans.

**SECTION 45.** ORS 407.465 is amended to read:

407.465. (1) Subject to the limitations provided for in this chapter, the [Director] **Department** of Veterans' Affairs may provide loan cancellation life insurance for any person who receives or assumes a loan or makes a contract under this chapter for the acquisition of a home or farm, and the spouse or former spouse of that person.

(2) [Such] **The** insurance may insure the life of the person who receives or assumes the loan or who is the contract purchaser and the life of the spouse or former spouse of that person for all or a portion of the amount of principal and interest due on the state loan or contract. However, for each loan or contract, the lives of not more than two persons shall be insured. The State of Oregon shall be named the beneficiary of the insurance. When an individual insured under this chapter dies, the proceeds of the insurance shall be used to pay all or the insured portion of the balance of the state loan or contract, and the [director] **department** shall issue a revised payment plan or a satisfaction of the loan or contract.

(3) The Oregon Department of Administrative Services shall procure loan cancellation life insurance to meet the requirements of this chapter in compliance with the laws governing the purchase and furnishing of services to state agencies.

**SECTION 46.** ORS 407.480 is amended to read:

407.480. As used in ORS 407.480 to 407.490:

(1) "Insurance" means any mortgage guarantee or mortgage insurance against financial loss by reason of:

(a) Collection activity;

(b) Foreclosure; or

(c) Foreclosure by the [Director] **Department** of Veterans' Affairs under ORS 407.135.

(2) "Mortgage" includes a trust deed.

**SECTION 47.** ORS 407.485 is amended to read:

407.485. (1) The [Director] **Department** of Veterans' Affairs may enter into an agreement with any public or private organization or with any federal or state governmental agency to provide insurance for qualified mortgages.

(2) The terms of the agreement for insurance, including the amount of insurance and the premium therefor, shall be agreed upon by the [director] **department** and the organization or agency.

(3) Insurance provided under this section [shall] **may** not exceed coverage of the loan balance for property secured by a mortgage or trust deed to the [Department of Veterans' Affairs] **department**.

(4) If a qualified borrower borrows an amount under this chapter that is 80 percent or less of the net appraised value of the home or farm that secures the loan, the [director] **department** may approve the loan without requiring insurance.

**SECTION 48.** ORS 407.490 is amended to read:

407.490. After assignment transfer and delivery by the [Director] **Department** of Veterans' Affairs of all rights in the insured property to the organization or person providing insurance, the [director] **department** shall not be liable to any borrower for any claim or grievance arising out of the insurance agreement or the loan agreement.

**SECTION 49.** ORS 407.495 is amended to read:

407.495. (1) The money arising from the sale of each issue of bonds authorized under section 2, Article XI-A, of the Oregon Constitution, shall be deposited in the State Treasury and be credited to a special fund separate and distinct from the General Fund, to be known as the Oregon War Veterans' Fund; which fund hereby is appropriated for the purpose of carrying out the provisions of this section and ORS 407.115, 407.125, 407.165, 407.205, 407.275, 407.415 and 407.515 to 407.565 and to purchase bonds issued for the purposes of such provisions. With the approval of the [Director] **Department** of Veterans' Affairs, the moneys in the fund not immediately required for loaning may be invested as provided in ORS 293.701 to 293.820. The earnings from such investments shall inure to the Oregon War Veterans' Fund.

(2) In addition to the money arising from the sale of such bonds, the Oregon War Veterans' Fund shall also consist of:

- (a) All moneys received as payments on principal and interest of loans made under ORS 407.125;
- (b) All moneys received as accrued interest upon bonds sold;
- (c) All moneys derived from tax levies provided for in ORS 291.445;
- (d) All moneys derived from the sale, rental or administration of property acquired by foreclosure or other proceeding, or deed;

(e) All moneys received as interest earned on the investment of moneys in the Oregon War Veterans' Fund;

(f) All moneys received as proceeds from the sale of refunding bonds; and

(g) All other moneys accruing under this section and ORS 407.115, 407.125, 407.165, 407.205, 407.275, 407.415, 407.425, 407.435, 407.555 and 407.565.

(3) All moneys in the Oregon War Veterans' Fund are continuously appropriated to the [Director] **Department** of Veterans' Affairs for the following purposes:

(A) The original contract met the requirements of this chapter;

(B) The contract allows other public agency usage of the contract; and

(C) The original contracting public agency concurs.

(h) If a project is competitively bid and all responsive bids from responsible bidders exceed the public agency's cost estimate, the public agency, in accordance with rules adopted by the public agency, may negotiate with the lowest responsive, responsible bidder, prior to awarding the contract, in order to solicit value engineering and other options to attempt to bring the project within the agency's cost estimate. A negotiation with the lowest responsive, responsible bidder pursuant to this paragraph [shall] **may** not result in the award of the contract to that bidder if the scope of the project is significantly changed from the original bid proposal. Notwithstanding any other provision of law, the records of a bidder used in contract negotiation pursuant to this paragraph are not subject to public inspection until after the negotiated contract has been awarded or the negotiation process has been terminated.

(2) Subject to subsection (6)(b) of this section, the Director of the Oregon Department of Administrative Services, a local contract review board or, for contracts described in ORS 279.712 (2)(c), the Director of Transportation may exempt certain public contracts or classes of public contracts from the competitive bidding requirements of subsection (1) of this section upon approval of the following findings submitted by the public contracting agency seeking the exemption:

(a) It is unlikely that such exemption will encourage favoritism in the awarding of public contracts or substantially diminish competition for public contracts; and

(b) The awarding of public contracts pursuant to the exemption will result in substantial cost savings to the public contracting agency or, if the contracts are for public improvements described in ORS 279.712 (2)(c), to the agency or the public. In making such finding, the Director of the Oregon Department of Administrative Services, the Director of Transportation or the local contract review board may consider the type, cost, amount of the contract, number of persons available to bid and such other factors as may be deemed appropriate.

(3)(a) Before final adoption of the findings required by subsection (2) of this section exempting a contract for a public improvement, or a class of contracts for public improvements described in ORS 279.712 (2)(c), from the requirement of competitive bidding, a public agency shall hold a public hearing.

(b) Notification of the public hearing shall be published in at least one trade newspaper of general statewide circulation a minimum of 14 days prior to the hearing.

(c) The notice shall state that the public hearing is for the purpose of taking comments on the agency's draft findings for an exemption from the competitive bidding requirement. At the time of the notice, copies of the draft findings shall be made available to the public. At the option of the

public agency, the notice may describe the process by which the findings are finally adopted and may indicate the opportunity for any further public comment.

(d) At the public hearing, the public agency shall offer an opportunity for any interested party to appear and present comment.

(e) If a public agency is required to act promptly due to circumstances beyond its control that do not constitute an emergency, notification of the public hearing can be published simultaneously with the agency's solicitation of contractors for the alternative public contracting method, as long as responses to the solicitation are due at least five days after the meeting and approval of the findings.

(4) A public contract also may be exempted from the requirements of subsection (1) of this section if:

(a) Emergency conditions require prompt execution of the contract;

(b) In case of sale of surplus property by a public agency, the number, value and nature of the items to be sold make it probable that the cost of conducting a sale by competitive bidding will be such that a liquidation sale will result in substantially greater net revenue to the public agency;

(c) The procedures for entering into an energy savings performance contract under subsection (8) of this section apply; or

(d)(A) The public contract is made between regularly organized fire departments, as defined in ORS 652.050, for fire protection equipment, as defined in ORS 476.005, and:

(i) The recipient regularly organized fire department makes a written request for the fire protection equipment to the transferor regularly organized fire department;

(ii) The fire protection equipment is surplus to or unusable by the transferor;

(iii) The total fair market value of fire protection equipment received by the recipient does not exceed \$50,000 per calendar year; and

(iv) The transferor holds a public hearing, with notice given as outlined in subsection (3)(b) of this section, and finds that the public contract is in the public's interest.

(B) As used in subparagraph (A) of this paragraph, "public contract" includes a sale at no cost.

(5) The Director of the Oregon Department of Administrative Services or the local contract review board shall adopt rules allowing the governing body of a public agency and the officer of a public agency for contracts under \$50,000 to declare that an emergency exists and establishing procedures for determining when the conditions in subsection (4)(a) of this section are present. The rules shall prescribe that if an emergency is declared, any contract awarded under this subsection and subsection (4)(a) of this section must be awarded within 60 days following declaration of the emergency, unless the director or board grants an extension.

(6) In granting exemptions pursuant to subsection (2)(a) and (b) of this section, the Director of the Oregon Department of Administrative Services, the Director of Transportation or the local contract review board shall:

(a) Where appropriate, direct the use of alternate contracting and purchasing practices that take account of market realities and modern or innovative contracting and purchasing methods, which are also consistent with the public policy of encouraging competition.

(b) Require and approve or disapprove written findings by the public contracting agency that support the awarding of a particular public contract or a class of public contracts, without the competitive requirements of subsection (1) of this section. The findings must show that the exemption of a contract or class of contracts complies with the requirements of subsection (2)(a) and (b) of this section.

(7) A written agreement under ORS chapter 190 is not necessary under subsection (1)(g) of this section if the arrangement is between or among units of local government.

(8) In accordance with ORS 279.049, the Attorney General shall adopt model rules appropriate for use by all public contracting agencies to govern the procedures for entering into energy savings performance contracts. Before adopting or amending a rule under this subsection, the Attorney General shall consult with the Oregon Department of Administrative Services, the State Department of Energy, the Oregon University System, local public agencies and other knowledgeable persons.

The Attorney General may develop standard contract forms for use with energy savings performance contracts.

(d) At the public hearing, the contracting agency shall offer an opportunity for any interested party to appear and present comment.

(b) The department shall give political subdivisions, as defined in ORS 271.005, the first opportunity after other state agencies to acquire, purchase, exchange or lease real property to be sold or disposed of by the State of Oregon. (4) Letters of conservatorship may not be issued until the bond required by this section is approved by the court.

(5) The bond of the conservator continues in effect until the sureties on the bond are released by order of the court.

(6) The court may at any time increase or reduce the amount of the bond required of a conservator for the protection of the protected person and the estate of the protected person.

The new bond shall be in the amount and subject to those conditions that may be required by the court. If the conservator fails to file a new bond, the authority of the conservator ends on the date specified by the surety for cancellation of the bond. **SECTION 69.** ORS 88.740 is amended to read:

(b) An amount equal to the General Fund moneys expended for the acquisition of presently unsold properties pursuant to ORS 88.710 to 88.740, and upon such payment the properties shall represent an investment of the Oregon War Veterans' Bond Sinking Account.

**SECTION 70.** ORS 540.610 is amended to read:

540.610. (1) Beneficial use shall be the basis, the measure and the limit of all rights to the use of water in this state. Whenever the owner of a perfected and developed water right ceases or fails to use all or part of the water appropriated for a period of five successive years, the failure to use shall establish a rebuttable presumption of forfeiture of all or part of the water right.

(2) Upon a showing of failure to use beneficially for five successive years, the appropriator has the burden of rebutting the presumption of forfeiture by showing one or more of the following:

(a) The water right is for use of water, or rights of use, acquired by cities and towns in this state, by appropriation or by purchase, for all reasonable and usual municipal purposes.

(b) A finding of forfeiture would impair the rights of such cities and towns to the use of water, whether acquired by appropriation or purchase, or heretofore recognized by act of the legislature, or which may hereafter be acquired.

(c) The use of water, or rights of use, are appurtenant to property obtained by the Department of Veterans' Affairs under ORS 407.135 or 407.145 for three years after the expiration of redemptions as provided in ORS 18.568 to 18.598 while the land is held by the [Director] **Department** of Veterans' Affairs, even if during such time the water is not used for a period of more than five successive years.

(d) The use of water, or rights of use, under a water right, if the owner of the property to which the right is appurtenant is unable to use the water due to economic hardship as defined by rule by the Water Resources Commission.

(e) The period of nonuse occurred during a period of time within which land was withdrawn from use in accordance with the Act of Congress of May 28, 1956, chapter 327 (7 U.S.C. 1801-1814; 1821-1824; 1831-1837), or the Federal Conservation Reserve Program, Act of Congress of December 23, 1985, chapter 198 (16 U.S.C. 3831-3836, 3841-3845). If necessary, in a cancellation proceeding under this section, the water right holder rebutting the presumption under this paragraph shall provide documentation that the water right holder's land was withdrawn from use under a federal reserve program.

(f) The end of the alleged period of nonuse occurred more than 15 years before the date upon which evidence of nonuse was submitted to the commission or the commission initiated cancellation proceedings under ORS 540.631, whichever occurs first.

(g) The owner of the property to which the water right was appurtenant is unable to use the water because the use of water under the right is discontinued under an order of the commission under ORS 537.775.

(h) The nonuse occurred during a period of time within which the water right holder was using reclaimed water in lieu of using water under an existing water right.

(i) The nonuse occurred during a period of time within which the water right holder was reusing water through land application as authorized by ORS 537.141 (1)(i) or 537.545 (1)(g) in lieu of using water under an existing water right.

(j) The owner or occupant of the property to which the water right is appurtenant was unable to make full beneficial use of the water because water was not available. A water right holder rebutting the presumption under this paragraph shall provide evidence that the water right holder was ready, willing and able to use the water had it been available.

(k) The holder of a water right is prohibited by law from using the water. If the prohibition is subject to remedial action that would allow the use of the water, the water right holder shall provide evidence that the water right holder is conducting the remedial action with reasonable diligence.

(L) The nonuse occurred during a period of time within which the exercise of all or part of the water right was not necessary due to climatic conditions, so long as the water right holder had a

facility capable of handling the full allowed rate and duty, and was otherwise ready, willing and able to use the entire amount of water allowed under the water right.

(m) The nonuse occurred during a period of time within which the water was included in a transfer application pending before the Water Resources Department.

(3) Notwithstanding subsection (1) of this section, if the owner of a perfected and developed water right uses less water to accomplish the beneficial use allowed by the right, the right is not subject to forfeiture so long as:

(a) The user has a facility capable of handling the entire rate and duty authorized under the right; and

(b) The user is otherwise ready, willing and able to make full use of the right.

(4) The right of all cities and towns in this state to acquire rights to the use of the water of natural streams and lakes, not otherwise appropriated, and subject to existing rights, for all reasonable and usual municipal purposes, and for such future reasonable and usual municipal purposes as may reasonably be anticipated by reason of growth of population, or to secure sufficient water supply in cases of emergency, is expressly confirmed.

(5) After a water right is forfeited under subsection (1) of this section, the water that was the subject of use shall revert to the public and become again the subject of appropriation in the manner provided by law, subject to existing priorities.

(a) Certify to the Director of the Oregon Department of Administrative Services that the amounts available or that will become available during the current year to the bond program debt service fund to pay bond principal and interest that has accrued or will accrue during the current year are sufficient and will be sufficient to pay bond program principal and interest scheduled for payment during the current year; or
