Relating to nonprofit corporations under Oregon government standards and practices law; creating new provisions; and amending ORS 244.020.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 244.020 is amended to read:

244.020. As used in this chapter, unless the context requires otherwise:

(1) "Actual conflict of interest" means any action or any decision or recommendation by a person acting in a capacity as a public official, the effect of which would be to the private pecuniary benefit or detriment of the person or the person's relative or any business with which the person or a relative of the person is associated unless the pecuniary benefit or detriment arises out of circumstances described in subsection (14) of this section.

(2) "Business" means any corporation, partnership, proprietorship, firm, enterprise, franchise, association, organization, self-employed individual and any other legal entity operated for economic gain but excluding any income-producing not-for-profit corporation that is tax exempt under section 501(c) of the Internal Revenue Code with which a public official **or a relative of the public official** is associated **only as a member or board director or** in a nonremunerative capacity.

(3) "Business with which the person is associated" means:

(a) Any private business or closely held corporation of which the person or the person's relative is a director, officer, owner or employee, or agent or any private business or closely held corporation in which the person or the person's relative owns or has owned stock, another form of equity interest, stock options or debt instruments worth \$1,000 or more at any point in the preceding calendar year;

(b) Any publicly held corporation in which the person or the person's relative owns or has owned \$100,000 or more in stock or another form of equity interest, stock options or debt instruments at any point in the preceding calendar year;

(c) Any publicly held corporation of which the person or the person's relative is a director or officer; or

(d) For public officials required to file a statement of economic interest under ORS 244.050, any business from which 50 percent or more of the total annual income of the person and members of the person's household is derived during the current calendar year.

(4) "Commission" means the Oregon Government Standards and Practices Commission.

(5) "Development commission" means any entity which has the authority to purchase, develop, improve or lease land or the authority to operate or direct the use of land. This authority must be more than ministerial.

(7) "Gift" means something of economic value given to a public official or the public official's relative without valuable consideration of equivalent value, including the full or partial forgiveness of indebtedness, which is not extended to others who are not public officials or the relatives of public officials on the same terms and conditions; and something of economic value given to a public official or the public official's relative for valuable consideration less than that required from others who are not public officials. However, "gift" does not mean:

(a) Campaign contributions, as described in ORS chapter 260.

(b) Gifts from family members.

(c) The giving or receiving of food, lodging and travel when participating in an event which bears a relationship to the public official's office and when appearing in an official capacity, subject to the reporting requirement of ORS 244.060 (6).

(8) "Honoraria" means a payment or something of economic value given to a public official in exchange for services upon which custom or propriety prevents the setting of a price. Services include, but are not limited to, speeches or other services rendered in connection with an event at which the public official appears in an official capacity.

(b) Any action in the person's official capacity which would affect to the same degree a class consisting of all inhabitants of the state, or a smaller class consisting of an industry, occupation or other group including one of which or in which the person, or the person's relative or business with which the person or the person's relative is associated, is a member or is engaged.
