CHAPTER .....

AN ACT

Relating to 2-1-1 telephone number; creating new provisions; amending ORS 401.270; appropriating money; and declaring an emergency.

**Be It Enacted by the People of the State of Oregon:**

**SECTION 1. The Legislative Assembly finds that:**

**(1) The implementation of a single, easy-to-use telephone number, 2-1-1, will benefit the residents of this state by providing easier access to available health and human services and services after an emergency, by reducing inefficiencies in connecting people with desired service providers and by reducing duplication of efforts.**

**(2) In a time of reduced resources for the provision of health and human services, establishing a cost-effective means to continue to inform the public about available services is a priority.**

**(3) An integrated statewide system of local information and referral service providers will build upon an already existing network of experienced service providers without the necessity of creating a new agency or department.**

**SECTION 2. Sections 3 to 9 of this 2005 Act are added to and made a part of ORS 401.260 to 401.325.**

**SECTION 3. As used in sections 3 to 9 of this 2005 Act:**

**(2) "2-1-1 service" means a telephone service that provides information about and referral to health and human services and services after an emergency.**

**(3) "2-1-1 service area" means an area in the state of Oregon where a 2-1-1 service provider provides 2-1-1 services.**

**(4) "2-1-1 service provider" means a public or nonprofit agency or organization that provides 2-1-1 services.**

**(5) "2-1-1 system facilitator" means an Oregon nonprofit organization that is devoted to creating a statewide 2-1-1 system.**

**SECTION 4. 2-1-1 is created as the official state dialing code for public referral to and information about health and human services and services after an emergency.**

**SECTION 5. (1) Subject to subsection (3) of this section, the Office of Emergency Management shall enter into a contract with a 2-1-1 system facilitator to design, implement and support a statewide 2-1-1 system.**

**(2) The contract shall ensure that the 2-1-1 system facilitator:**

- (a) Creates a structure for a statewide 2-1-1 resources database that:
  - (A) Meets standards for information and referral systems databases established by a nationally recognized corporation devoted to improving access to services through a mechanism of information and referral; and

**SECTION 6.** (1) The 2-1-1 system facilitator shall recommend 2-1-1 service providers to the Office of Emergency Management based on the following criteria:

- (a) The ability of the proposed 2-1-1 service provider to meet the national 2-1-1 standards recommended by a nationally recognized corporation devoted to improving access to services through a mechanism of information and referral;

- (2) The office shall approve 2-1-1 service providers based on the recommendations of the 2-1-1 system facilitator. Only a 2-1-1 service provider approved by the office may provide 2-1-1 services.

**SECTION 7.** Before a state agency that provides health and human services establishes a new public information hotline, the state agency shall consult with the Office of Emergency Management about using the 2-1-1 system to provide public access to the information.

**SECTION 8.** (1) The Office of Emergency Management may accept contributions of moneys and assistance from the federal government or its agencies or from any other source, public or private, and agree to conditions placed on the moneys not inconsistent with the purpose of establishing a statewide 2-1-1 system.
