- 20 “(k) Electricity;
- 21 “(L) Pipeline;
- 22 “(m) Toll bridge; or
- 23 “(n) Private railcars of all companies not otherwise listed in this subsection, if the private
- 24 railcars are rented, leased or used in railroad transportation for hire.
- 25 “(2) The assessment described in subsection (1) of this section shall be made on an assessment
- 26 roll that is prepared by the division of the department charged with property tax administration.
- 27 “(3) [*There may not be assessed*] **The following property is not subject to assessment** under
- 28 subsection (1) of this section:
- 29 “(a) Any property used by or for water transportation companies whose watercraft ply exclu-
- 30 sively on the high seas, or between the high seas and inland water ports or terminals, or any com-
- 31 bination thereof.
- 32 “(b) Any property used by or for water transportation companies exclusively for hire by other
- 33 persons for booming and rafting, dredging, log or marine salvage, ship berthing, maintenance, sludge
- 34 removal, cleaning or repair, marine or water-based construction, or guide service.

1 “(c) Any property used by or for interstate ferries or by or for water transportation companies
2 as ferries operating directly across interstate rivers.

3 “(d) Any property of the National Railroad Passenger Corporation as long as federal law pro-
4 hibits the National Railroad Passenger Corporation from paying property taxes.

5 “(e) Any aircraft that is required to be registered under ORS 837.040 for all or any part of the
6 calendar year, and that is not used to provide scheduled passenger service.

7 “(f) **Any real or personal property, tangible or intangible, whose use arises from a con-
8 tract between a qualified government entity and an energy marketing company in which the
9 subject of the contract is:**

10 “(A) **The performance of services and the supply of goods related to the operation of a
11 natural gas-fired combined cycle cogeneration plant owned by a qualified government entity;
12 or**

13 “(B) **The purchase of energy for resale by an energy marketing company from a qualified
14 government entity, when the energy that is being purchased is generated or distributed by
15 a natural gas-fired combined cycle cogeneration plant owned by a qualified government en-
16 tity.**

17 “(4) For the purposes of this section, ORS 308.256 and 308.550, ‘inland water’ means all water
18 or waters within the State of Oregon, all interstate rivers touching Oregon and all tidewaters ex-
19 tending to the ocean bars.

20 “(5) Any corporation included within subsection (1) of this section, to the extent that it actively
21 engages in any business or service not described therein or not incidental to any business or service
22 or sale of a commodity described therein, may not to that extent be deemed a corporation whose
23 properties are assessed under ORS 308.505 to 308.665.

24 “(6) Any company, to the extent that it furnishes undiluted liquefied or industrial gas in bottles,
25 tanks or similar containers, whether or not through pipe in a gaseous form, is not a gas company
26 under subsection (1) of this section.

27 “(7) A company is not an electric company under subsection (1) of this section if:

28 “(a) The company generates electricity primarily for the company’s own use, but makes inci-
29 dental sales of the company’s surplus electricity; or

30 “(b)(A) The company’s generating facility is primarily fueled by wood waste or other biomass
31 fuel;

32 “(B) The generating facility has a maximum capacity of 20 megawatts; and

33 “(C) The company, if selling the generated electricity, does so only directly to an electric utility
34 for the utility’s distribution to utility customers.

35 “(8) ORS 308.505 to 308.665 shall be construed to subject property owned, leased or occupied
36 by a legal entity not yet engaged in a business, service or sale of a commodity that is described in
37 this section, to assessment by the department, if the property is intended for operation or use in the
38 business, service or sale of a commodity.

39 “(9) As used in this section[,]:

40 “(a) ‘Electric utility’ has the meaning given that term in ORS 758.505.

41 “(b) **‘Energy marketing company’ means a company that:**

42 **“(A) Operates or manages natural gas-fired combined cycle cogeneration plants; or**

43 **“(B) Generates, develops, transmits, distributes or purchases energy.**

44 **“(c) ‘Qualified government entity’ means a city with a population of fewer than 22,000
45 residents.”.**
