1 for the automated external defibrillator and the electrodes for the automated external
2 defibrillator in accordance with guidelines set forth by the manufacturer.

3 (B) Ensured that a sufficient number of employees received training in the use of an
4 automated external defibrillator so that at least one trained employee may be reasonably
5 expected to be present at the public setting during regular business hours.

6 (C) Stored the automated external defibrillator in a location from which the automated
7 external defibrillator can be quickly retrieved during regular business hours.

8 (D) Clearly indicated the presence and location of each automated external defibrillator.

9 (E) Established a policy to call 9-1-1 to activate the emergency medical services system
10 as soon as practicable after the potential need for the automated external defibrillator is
11 recognized.

12 (3) The immunity provided by this section does not apply if:

13 (a) The person against whom the action is brought acted with gross negligence or with
14 reckless, wanton or intentional misconduct;

15 (b) The use, attempted use or nonuse of an automated external defibrillator occurred at
16 a location where emergency medical care is regularly available; or

17 (c) The person against whom the action is brought possesses or controls one or more
18 automated external defibrillators in a public setting and the person's failure to reasonably
19 comply with the requirements described in subsection (2)(e) of this section caused the alleged
20 injury, death or loss.

21 (4) Nothing in this section affects the liability of a manufacturer, designer, developer,
22 distributor or supplier of an automated external defibrillator, or an accessory for an auto-
23 mated external defibrillator, under the provisions of ORS 30.900 to 30.920 or any other appli-
24 cable state or federal law.

25 **SECTION 2.** Section 1 of this 2005 Act applies to causes of action arising on or after the
26 effective date of this 2005 Act.

27 **SECTION 3.** Section 4 of this 2005 Act shall be known as the Graeme Jones and Eddie
28 Barnett Memorial Act.

29 **SECTION 4.** (1) As used in this section, "public school facility" means a building or pre-
30 manufactured structure used by a school district or public charter school to provide educa-
31 tional services to children.

32 (2) In addition to those moneys distributed through the State School Fund, the Depart-
33 ment of Education may award grants to school districts and public charter schools to provide
34 automated external defibrillators in public school facilities.

35 (3) The goal of the grant program is to provide automated external defibrillators in at
36 least two public school facilities in each school district.

37 (4) Each school district and public charter school may apply for a grant under this sec-
38 tion. The amount of any grant received by a school district or public charter school under
39 this section may not exceed 60 percent of the actual costs for which grant funds may be used
40 under subsection (5) of this section.

41 (5) Any school district or public charter school that receives grant funds under this
42 section shall use the funds for:

43 (a) Purchasing or leasing automated external defibrillators to be placed in public school
44 facilities;

45 (b) Providing training to school district and public charter school employees and volun-

1 teers on the use of automated external defibrillators; and

2 (c) Any other expense related to providing automated external defibrillators in public
3 school facilities if the expense is approved by the Department of Education.

4 (6) The State Board of Education may adopt rules:

5 (a) To establish criteria for awarding grants based on the goal set forth in subsection (3)
6 of this section;

7 (b) To determine the amount of each grant pursuant to subsection (4) of this section; and

8 (c) That are necessary for the administration of this section.

9 (7) The Department of Education shall seek federal grant funds for the purposes of the
10 grant program.

11 (8) For purposes of the grant program, the Department of Education may accept contri-
12 butions of funds and assistance from the United States Government and its agencies or from
13 any other source, public or private, and agree to conditions placed on the funds not incon-
14 sistent with the purposes of the grant program.

15 (9) All funds received by the Department of Education under this section shall be paid
16 into the Department of Education Account established in ORS 326.115 to the credit of the
17 grant program.

18 SECTION 5. Section 6 of this 2005 Act shall be known as the Kirk Spencer Memorial Act.

19 SECTION 6. (1) As used in this section, "health club" means an indoor facility:

20 (a) With the primary purpose of offering exercise or athletic activities that patrons or
21 members may participate in for a fee; and

22 (b) That typically has at the facility on a regular business day 100 or more persons who
23 are employees, patrons or members participating in the exercise or athletic activities offered
24 at the facility.

25 (2) The owner of a health club shall have on the premises at all times at least one auto-
26 mated external defibrillator.

27 (3) Subsection (2) of this section does not apply to:

28 (a) Any facility owned by an education service district, public charter school or school
29 district; or

30 (b) Any facility owned by a hotel as defined in ORS 699.005.

31 SECTION 7. Section 6 of this 2005 Act becomes operative on July 1, 2006.

32 SECTION 8. ORS 30.801 is repealed.

33 SECTION 9. The repeal of ORS 30.801 by section 8 of this 2005 Act does not affect any
34 causes of action arising before the effective date of this 2005 Act.

35 SECTION 10. This 2005 Act being necessary for the immediate preservation of the public
36 peace, health and safety, an emergency is declared to exist, and this 2005 Act takes effect
37 on its passage.
