24 807.160. (1) The Department of Transportation shall establish by rule the reasons for issuing a
25 replacement driver license or driver permit to a person who submits an application for the re-

41 **(h) Furnishes proof satisfactory to the department that, for a reason identified by the**
42 **department by rule, the person needs a replacement driver license or driver permit that**
43 **bears a different distinguishing number from the license or permit being replaced.**

44 (2) Notwithstanding subsection (1)(b) of this section, in lieu of issuing a replacement driver li-
45 cense or driver permit upon a change in residence address of a person, the department may note the

1 change of residence address on the person's license or permit in a manner determined by the de-
2 partment.

3 (3) A replacement driver license or driver permit issued under this section:

4 (a) Shall bear the same distinguishing number as the driver license or driver permit replaced
5 unless the person applying for the replacement furnishes proof [*satisfactory to the department that a*
6 *police agency has reason to believe that the person's lost driver license or driver permit or the person's*
7 *name is being used fraudulently*] **as described in subsection (1)(h) of this section.**

8 (b) Does not alter or extend the driving privileges granted to the person under the old license
9 or permit unless the replacement license or permit was issued for the purpose of changing a re-
10 striction or endorsement or for correcting an error involving driving privileges.

11 (4) Except for driver permits for which the department does not charge an issuance fee, the
12 department shall charge the fee under ORS 807.370 for a replacement license or driver permit issued
13 under this section. The replacement fee is in addition to any endorsement or test fee that may apply.
14 The department may waive the replacement fee as provided under ORS 807.390.

15 (5) The driver license or driver permit replaced under this section is invalid and shall be sur-
16 rendered to the department.

21 (b) The driving privileges of the person making application are suspended or revoked and have
22 not been partially or completely reinstated.

23 (7) The department need not issue a replacement driver license or driver permit to a person who
24 has not complied with the requirements and responsibilities created by citation for or conviction of
25 a traffic offense in another jurisdiction if an agreement under ORS 802.530 authorizes the depart-
26 ment to withhold issuance of a replacement license or permit.

27 **SECTION 2.** ORS 807.400 is amended to read:

28 807.400. (1) The Department of Transportation shall issue an identification card to any person
29 who:

30 (a) Is domiciled in or resident of this state, as described in ORS 807.062;

31 (b) Does not have a current, valid driver license; and

32 (c) Furnishes such evidence of the person's age and identity as the department may require.

33 (2) The department shall work with other agencies and organizations to attempt to improve the
34 issuance system for identification cards.

35 (3) Every original application for an identification card must be signed by the applicant. The
36 department shall require at least one document to verify the address of an applicant for issuance
37 of an identification card in addition to other documents the department may require of the applicant.
38 If the address of an applicant has changed since the last time an identification card was issued to
39 or renewed for the applicant, the department shall require proof to verify the address of an applicant
40 for renewal of an identification card, in addition to anything else the department may require.

41 (4) Every identification card shall be issued upon the standard license form described under ORS
42 807.110 and shall bear a statement to the effect that the identification card is not a license or any
43 other grant of driving privileges to operate a motor vehicle and is to be used for identification
44 purposes only. The department shall use the same security procedures, processes, materials and
45 features for an identification card as are required for a license under ORS 807.110.

1 (5) Upon order of the juvenile court, the department shall include on the card the fact that the
2 person issued the identification card is an emancipated minor.

3 (6) Each original identification card shall expire on a date consistent with the expiration dates
4 of licenses as set forth in ORS 807.130.

5 (7) Identification cards shall be renewed under the terms for renewal of licenses as set forth in
6 ORS 807.150.

7 (8) The fee for an original identification card or a renewal thereof shall be the fee established
8 under ORS 807.410. In no event shall the issuance or renewal of an identification card be subject
9 to any fee in addition to that set forth in ORS 807.410.

10 (9) An identification card becomes invalid if the holder of the card changes residence address
11 from that shown on the identification card and does not provide the department with notice of the
12 change as required under ORS 807.420.

13 (10) If a person to whom an identification card was issued and who changes residence address
14 appears in person at a department office that issues identification cards, the department may do any
15 of the following:

16 (a) Issue a new identification card containing the new address [*but bearing the same distin-*
17 *guishing number as the old identification card*] upon receipt of the old identification card and pay-
18 ment of the fee established for issuing a new identification card with a changed address under ORS
19 807.410. **Except as otherwise provided in subsection (13) of this section, the new identification**
20 **card shall bear the same distinguishing number as the card being replaced.**

21 (b) Note the new address on the old identification card in a manner to be determined by the
22 department.

23 (11) An identification card becomes invalid if the holder of the card changes the person's name
24 from that shown on the card, including a change of name by marriage, without providing the de-
25 partment with notice of the change as required under ORS 807.420. Upon receiving such notice and
26 the old identification card, the department shall issue a new identification card upon payment of the
27 fee required under ORS 807.410.

28 (12) In the event an identification card is lost, destroyed or mutilated, the person to whom it
29 was issued may obtain a duplicate or replacement identification card from the department upon
30 furnishing proof satisfactory to the department of such fact and payment of the duplicate or re-
31 placement fee under ORS 807.410.

32 **(13) In the event a person needs a replacement identification card that bears a different**
33 **distinguishing number from the card being replaced for a reason identified by the department**
34 **by rule, the person to whom the card was issued may obtain a replacement card from the**
35 **department upon furnishing proof satisfactory to the department of the need for such re-**
36 **placement and payment of the replacement fee under ORS 807.410.**

37 [(13)] (14) Upon cancellation of an identification card, the card is terminated and must be sur-
38 rendered to the department. An identification card may be canceled for any of the reasons that
39 driving privileges or a license may be canceled under ORS 809.310. The department may reissue
40 an identification card canceled under this subsection when the applicant has satisfied all require-
41 ments for the identification card.

42 [(14)] (15) Notwithstanding any other provision of this section, the department may issue an
43 identification card to a person under this subsection without charge when the person surrenders a
44 license or driver permit to the department for reasons described in this subsection. If the department
45 issues an identification card under this subsection, the identification card shall expire at the same

1 time as the surrendered driver license or driver permit would have expired. An identification card
2 issued under this subsection is subject to the same requirements and fees for renewal or upon ex-
3 piration as any other identification card issued under this section. The department may issue iden-
4 tification cards under this subsection as described under any of the following:

5 (a) The department may issue an identification card under this subsection to a person who vol-
6 untarily surrenders a license or driver permit to the department based upon the person's recognition
7 that the person is no longer competent to drive.

8 (b) The department may issue an identification card to a person under this subsection when the
9 person's driving privileges are suspended under ORS 809.419 (1). This paragraph only applies if the
10 person voluntarily surrenders the person's license or driver permit to the department as provided
11 under ORS 809.500.

12 **SECTION 2a. If House Bill 2106 becomes law, section 2 of this 2005 Act (amending ORS**
13 **807.400) is repealed and ORS 807.400, as amended by section 10, chapter 59, Oregon Laws 2005**
14 **(Enrolled House Bill 2106), is amended to read:**

15 807.400. (1) The Department of Transportation shall issue an identification card to any person
16 who:

17 (a) Is domiciled in or resident of this state, as described in ORS 807.062;

18 (b) Does not have a current, valid driver license; and

19 (c) Furnishes such evidence of the person's age and identity as the department may require.

20 (2) The department shall work with other agencies and organizations to attempt to improve the
21 issuance system for identification cards.

22 (3) Every original application for an identification card must be signed by the applicant. The
23 department shall require at least one document to verify the address of an applicant for issuance
24 of an identification card in addition to other documents the department may require of the applicant.
25 If the address of an applicant has changed since the last time an identification card was issued to
26 or renewed for the applicant, the department shall require proof to verify the address of an applicant
27 for renewal of an identification card, in addition to anything else the department may require.

28 (4) Every identification card shall be issued upon the standard license form described under ORS
29 807.110 and shall bear a statement to the effect that the identification card is not a license or any
30 other grant of driving privileges to operate a motor vehicle and is to be used for identification
31 purposes only. The department shall use the same security procedures, processes, materials and
32 features for an identification card as are required for a license under ORS 807.110.

33 (5) Upon order of the juvenile court, the department shall include on the card the fact that the
34 person issued the identification card is an emancipated minor.

35 (6) Each original identification card shall expire on a date consistent with the expiration dates
36 of licenses as set forth in ORS 807.130.

37 (7) Identification cards shall be renewed under the terms for renewal of licenses as set forth in
38 ORS 807.150.

39 (8) The fee for an original identification card or a renewal thereof shall be the fee established
40 under ORS 807.410. In no event shall the issuance or renewal of an identification card be subject
41 to any fee in addition to that set forth in ORS 807.410.

42 (9) An identification card becomes invalid if the holder of the card changes residence address
43 from that shown on the identification card and does not provide the department with notice of the
44 change as required under ORS 807.420.

45 (10) If a person to whom an identification card was issued and who changes residence address

1 appears in person at a department office that issues identification cards, the department may do any
2 of the following:

3 (a) Issue a replacement identification card containing the new address [*but bearing the same*
4 *distinguishing number as the old identification card*] upon receipt of the old identification card and
5 payment of the fee established for issuing a replacement identification card with a changed address
6 under ORS 807.410. **Except as otherwise provided in subsection (12) of this section, the re-**
7 **placement identification card shall bear the same distinguishing number as the card being**
8 **replaced.**

9 (b) Note the new address on the old identification card in a manner to be determined by the
10 department.

11 (11) An identification card becomes invalid if the holder of the card changes the person's name
12 from that shown on the card, including a change of name by marriage, without providing the de-
13 partment with notice of the change as required under ORS 807.420. Upon receiving such notice and
14 the old identification card, the department shall issue a replacement identification card upon pay-
15 ment of the fee required under ORS 807.410.

16 **(12) In the event that, for a reason identified by the department by rule, a person needs**
17 **a replacement identification card that bears a different distinguishing number from the card**
18 **being replaced, the person to whom the card was issued may obtain a replacement card from**
19 **the department upon furnishing proof satisfactory to the department of the need for such**
20 **replacement and payment of the replacement fee under ORS 807.410.**

21 [(12)] (13) The department may establish by rule reasons for issuing replacement identification
22 cards that are in addition to the reasons identified in subsections (10) [*and (11)*] **to (12)** of this sec-
23 tion. The fee for a replacement identification card is provided under ORS 807.410.

24 [(13)] (14) Upon cancellation of an identification card, the card is terminated and must be sur-
25 rendered to the department. An identification card may be canceled for any of the reasons that
26 driving privileges or a license may be canceled under ORS 809.310. The department may reissue
27 an identification card canceled under this subsection when the applicant has satisfied all require-
28 ments for the identification card.

29 [(14)] (15) Notwithstanding any other provision of this section, the department may issue an
30 identification card to a person under this subsection without charge when the person surrenders a
31 license or driver permit to the department for reasons described in this subsection. If the department
32 issues an identification card under this subsection, the identification card shall expire at the same
33 time as the surrendered driver license or driver permit would have expired. An identification card
34 issued under this subsection is subject to the same requirements and fees for renewal or upon ex-
35 piration as any other identification card issued under this section. The department may issue iden-
36 tification cards under this subsection as described under any of the following:

37 (a) The department may issue an identification card under this subsection to a person who vol-
38 untarily surrenders a license or driver permit to the department based upon the person's recognition
39 that the person is no longer competent to drive.

40 (b) The department may issue an identification card to a person under this subsection when the
41 person's driving privileges are suspended under ORS 809.419 (1). This paragraph only applies if the
