24 parcels may be sold and the conditions and terms of sale. The order may be amended from time to  
25 time or revoked as the [court may deem] **governing body deems** proper.

26 (2) Subsection (1) of this section and ORS 275.120 to 275.160 do not apply to the sale of any real

4 **of the** county [*court*] of the proceedings of the sheriff pursuant to the commands of such order of  
5 sale.

6 **SECTION 17.** ORS 275.180 is amended to read:

9 *board of county commissioners,*] to the record owner or the contract purchaser of record, any prop-  
10 erty acquired by the county for delinquent taxes for not less than the amount of taxes and interest  
11 accrued and charged against such property at the time of purchase by the county with interest  
12 thereon at the rate of six percent per annum from the date of such purchase.

13 (2) All such sales of any such property to the record owner or the contract purchaser of record  
14 shall be subject to all liens or claims arising out of any assessment for a local improvement levied  
15 against such property, or any part thereof, by any municipal corporation and remaining unsatisfied,  
16 and also shall be subject to any title or equity of the municipal corporation predicated upon or  
17 growing out of any such lien or assessment.

18 **SECTION 18.** ORS 275.250 is amended to read:

19 275.250. Upon any sale or resale as provided in ORS 275.110 to 275.220, the **governing body of**  
20 **the** county [*court forthwith*] shall notify the county assessor thereof.

21 **SECTION 19.** ORS 275.290 is amended to read:

22 275.290. (1) In any instrument of conveyance or agreement for conveyance of timber upon lands  
23 acquired by any county by foreclosure of delinquent tax liens or otherwise under ORS 275.090 to  
24 275.220, the **governing body of the** county [*court*] may provide such conditions and regulations of  
25 cutting and slash disposal as may be deemed to be for the best interests of the county, which con-  
26 ditions and regulations shall be in addition to the provisions of the state forest fire law.

27 (2) Any purchaser of such timber may be required to give a bond or undertaking in favor of the  
28 county conditioned upon the compliance of the purchaser with all such conditions and regulations  
29 and with the provisions of the state forest fire laws, the bond to be in an amount not less than the  
30 full purchase price of the timber.

31 (3) The instrument or agreement for conveyance may be made for a term of years, in which case  
32 all rights and interests thereby granted by the county shall revert to and revest in the county upon  
33 expiration of the term.

34 **SECTION 20.** ORS 275.294 is amended to read:

35 275.294. (1) Nothing contained in this chapter shall prohibit the **governing body of a** county  
36 [*court of any county*], whenever it appears to the best interest of the county, from making or exe-  
37 cuting a lease or conveyance granting rights to explore or prospect for valuable minerals or oil and  
38 gas and for the mining and removal of the same from any lands acquired by such county through  
39 foreclosure of tax liens or otherwise.

40 (2) Except as provided in subsection (3) of this section, any lease or conveyance of minerals or  
41 oil and gas or interest in such lands shall be granted to the highest bidder, after an opportunity for  
42 competitive bidding is given by advertisement of the proposed sale or lease for not less than once  
43 a week for two successive weeks by publication in one or more newspapers having general circu-  
44 lation in the county, and under such terms, conditions and regulations as the **governing body of**  
45 **the** county [*court may provide*] **provides** under ORS 275.300.

1 (3) The **governing body of the** county [*court*], as to any land which is owned by the county or  
 2 whereon the mineral rights are reserved by the county, may execute leases and contracts, other  
 3 than for gas or oil, upon a royalty basis without requiring bids for the mining of gold, silver, copper,  
 4 lead, cinnabar and valuable minerals or mineral materials from such lands upon terms and condi-  
 5 tions agreed upon by the **governing body of the** county [*court*] and the lessee.

6 **SECTION 21.** ORS 275.296 is amended to read:

7 275.296. All leases and conveyances granting the right to explore or prospect for minerals or  
 8 oil and gas and for the mining and removal of the same on or from county-owned lands, executed  
 9 and delivered by [*any*] **the governing body of a** county [*court*] prior to August 3, 1955, and which  
 10 might be invalid only because the **governing body of the** county [*court*] was not expressly author-  
 11 ized by statute to execute and deliver such leases or conveyances, hereby are validated and declared  
 12 to be legal and enforceable.

13 **SECTION 22.** ORS 275.298 is amended to read:

14 275.298. (1) In any sale hereafter made under ORS 275.110 to 275.250 of minerals or mineral  
 15 rights heretofore reserved to a county where such minerals or mineral rights were acquired by a  
 16 county by foreclosure of delinquent tax liens, the holder of an interest less than the fee in the same  
 17 lands where the mineral rights are located shall have the right to purchase such minerals or mineral  
 18 rights interest by depositing with the sheriff within 60 days from date of sale not less than the high  
 19 amount bid for the minerals or mineral rights by a third person. If no sale was made at the offering,  
 20 then such person shall have the right to purchase at whatever price the **governing body of the**  
 21 county [*court or board of county commissioners*] deems reasonable.

22 (2) Unless the purchaser at any sale is the owner of some interest less than the fee, the exe-  
 23 cution of a deed shall be postponed for 60 days from the date of sale in order to give the party  
 24 granted preferential right under subsection (1) of this section, or the assignee of the party, the right  
 25 to exercise the preference in the manner set forth in subsection (1) of this section.

26 (3) The provisions of this section shall not be applicable to the sale of mineral rights on or under  
 27 any land suitable for the commercial production or development of timber.

28 **SECTION 23.** ORS 275.300 is amended to read:

29 275.300. In any conveyance or agreement for conveyance of any minerals, or other interest, less  
 30 than the whole fee, in any lands acquired by any county by foreclosure of delinquent tax liens or  
 31 otherwise under ORS 275.090 to 275.220, the **governing body of the** county [*court*] may provide such  
 32 conditions and regulations as may be deemed to be for the best interests of the county and may  
 33 require of the purchaser a satisfactory bond or undertaking in the name of the county in an amount  
 34 not less than the whole purchase price of such minerals or other interests in such lands, conditioned  
 35 upon the compliance of the purchaser with such conditions and regulations.

36 **SECTION 24.** ORS 275.312 is amended to read:

37 275.312. Notwithstanding any other law, in any county where the surface rights to tax-foreclosed  
 38 lands have been conveyed and the mineral rights on such lands have been reserved or excepted by  
 39 the **governing body of the** county [*court*] making such conveyance, upon written application of the  
 40 owner of such surface rights, the **governing body of the** county [*court*], whenever it appears to the  
 41 **governing body of the** county [*court*] to be in the best interests of the county, may convey such  
 42 reserved or excepted mineral rights to the owner of the surface rights in accordance with ORS  
 43 275.314 and 275.316.

44 **SECTION 25.** ORS 275.314 is amended to read:

45 275.314. Each application presented to the **governing body of the** county [*court*] under ORS

1 275.312 must be accompanied by evidence satisfactory to the **governing body of the** county [court]  
 2 showing that the applicant is the owner of the surface rights to the lands described in the applica-  
 3 tion, and also by a cash deposit or an irrevocable letter of credit issued by an insured institution  
 4 as defined in ORS 706.008 in an amount sufficient to reimburse the county for all costs of such  
 5 transfer, including but not limited to the costs of investigation and legal work, which shall be paid  
 6 by the applicant. The **governing body of the** county [court] then shall cause an investigation to be  
 7 made by qualified geologists or mining engineers in regard to the probable value of such mineral  
 8 rights. If the **governing body of the** county [court] finds that such rights are of little or doubtful  
 9 value and that it would be in the best interests of the county to transfer such rights to the owner  
 10 of the surface rights, the **governing body of the** county [court] may make and enter an order de-  
 11 claring its intention to make such transfer and setting a time and place for hearing objections  
 12 thereto. The time for the hearing shall be set not earlier than six weeks after the date of the order.

13 **SECTION 26.** ORS 275.316 is amended to read:

14 275.316. (1) The county clerk shall give notice of the time and place of the hearing scheduled  
 15 under ORS 275.314 by publication in a newspaper of general circulation published in such county,  
 16 once each week for four consecutive weeks prior to the hearing. The notice shall set forth the time  
 17 and place of the hearing, the name of the applicant and a description of the lands in the proposed  
 18 transfer. If no newspaper of general circulation is published in the county, notice may be given by  
 19 the clerk by posting such notice in at least four public places in the county.

20 (2) Upon such hearing, if the **governing body of the** county [court] finds that such mineral  
 21 rights are of little or doubtful value and that it would be in the best interests of the county to  
 22 convey such rights to the record owner of the surface rights, it may fix a minimum value for such  
 23 rights and enter an order accordingly. Thereupon the **governing body of the** county [court], after  
 24 receiving payment of such value, [*under the hands of the county judge or chairperson of the board*  
 25 *of county commissioners, as the case may be,*] may execute and deliver the necessary deeds of  
 26 conveyance.

27 **SECTION 27.** ORS 275.320 is amended to read:

28 275.320. [*Any*] **The governing body of a** county [court sitting for the transaction of county busi-  
 29 ness] may, by order, designate as county forests, public parks or recreational areas any real property  
 30 heretofore or hereafter acquired by the county for delinquent taxes or otherwise. Where the park  
 31 or recreational area is situated in whole or in part within the corporate limits of any city the county  
 32 first shall obtain the consent or approval, by resolution or ordinance adopted by the city consenting  
 33 or approving the creation of the public park or recreational area.

34 **SECTION 28.** ORS 275.330 is amended to read:

35 275.330. (1) Upon the entry of an order by the **governing body of a** county [*governing body*]  
 36 setting aside the real property for county forest, public park or recreational area, the lands shall  
 37 be set apart for such use. Thereafter such lands may not be alienated by the [county] governing body  
 38 **of the county** for any purpose unless authorized by a majority of the electors of the county in a  
 39 regular or special election, except that:

40 (a) In counties having 450,000 population or over according to the latest federal decennial cen-  
 41 sus:

42 (A) The lands may be sold and conveyed by the [county] governing body **of a county** if it con-  
 43 siders the sale to be in the best interests of the county; or

44 (B) The lands may be conveyed without payment or compensation for park and recreational  
 45 purposes to any public educational institution, park and recreation district, service district formed

1 under ORS chapter 451 to provide and maintain park and recreational facilities or nonprofit corpo-  
 2 ration organized under the laws of the State of Oregon for as long as the lands so conveyed are used  
 3 for such purposes. Any lands conveyed under this subparagraph shall automatically revert to the  
 4 county if the lands are not used for such purposes or if the institution, district or corporation to  
 5 which the lands are conveyed is dissolved. However, lands conveyed under this subparagraph to a  
 6 nonprofit corporation which is organized for the purpose of promoting the preservation of park and  
 7 recreational areas may be conveyed without restriction subject to prior approval of the **governing**  
 8 **body of the** county [court]. When lands are conveyed under this subparagraph, the county shall be  
 9 relieved from any obligation to account for the payment of any taxes, liens or assessments that may  
 10 have been levied against the lands by any taxing agency, district or municipality authorized to levy  
 11 against any of the lands.

12 (b) The [county] governing body of [any] a county may convey the lands to the state, an incor-  
 13 porated city, a park and recreation district or the United States Government for public use. The  
 14 conveyance may be made without the payment of compensation, and when so made the county shall  
 15 be relieved from any obligation to account for the payment of any taxes, liens or assessments that  
 16 may have been levied against the lands by any taxing agency, district or municipality authorized to  
 17 levy taxes against any of the lands.

18 (c) The [county] governing body of [any] a county may enter into agreements with the state or  
 19 the United States for the management of the timber and other forest products on the designated  
 20 county forestlands.

21 (2) In addition to the methods described in subsection (1) of this section, lands that have been  
 22 set aside for county forest, public park or recreational area may be alienated, sold or conveyed, in  
 23 part or in whole, by the public body upon a finding that it is in the best interest of the public. Upon  
 24 a determination that an alienation, sale or conveyance is in the public interest, the lands set aside  
 25 may be sold at public or private sale, or other lands may be taken in exchange and set aside for  
 26 park or recreational purposes. When a sale, an alienation or conveyance takes place, the proceeds  
 27 shall be held for maintenance and improvement of existing park and recreation lands or future ac-  
 28 quisition of lands to be set aside for park or recreational purposes.

29 (3) Before making an order for an alienation, sale or conveyance of the property without ap-  
 30 proval at an election, or before entering into agreements for management of timber and other forest  
 31 products under subsection (1)(c) of this section, the county governing body shall hold a hearing in  
 32 the county at which objections to the proposed agreements or alienation, sale or conveyance may  
 33 be heard. Notice of the hearing shall be given by publication weekly for two consecutive weeks in  
 34 a newspaper circulated generally within the county, and the notice shall describe particularly the  
 35 property affected.

36 **SECTION 29.** ORS 275.335 is amended to read:

37 275.335. (1) Notwithstanding the provisions of ORS 275.330 or 275.340, [any] **the governing body**  
 38 **of a county** [court] may provide for the exchange of land within a designated county forest for other  
 39 land when in the judgment of the **governing body of the** county [court], supported as provided in  
 40 subsection (3) of this section, such exchange is for equal value and is in the best interest of the  
 41 county. Such exchanges shall be authorized under this section only when the land obtained by the  
 42 county in exchange is immediately incorporated into the designated county forest.

43 (2) Before making an order for exchange of property, the **governing body of the** county  
 44 [court] shall hold a hearing [in the county courtroom] at which objections to the proposed exchange  
 45 of real property may be heard. Notice of the hearing shall be given by publication weekly for two

1 consecutive weeks, or two publications in all, in a newspaper circulated generally within the county,  
2 such notice to describe particularly the property affected. The date of hearing shall be not less than  
3 five days following the last date of publication of notice.

4 (3) The exchange authorized in subsection (1) of this section shall be made by order of the  
5 **governing body of the county** [*court duly entered in its journal*] and supported by reports of the  
6 value of the properties being exchanged submitted by:

7 (a) The county assessor; and

8 (b) The county forester or other qualified agent selected by the governing body.

9 (4) The exchanges authorized in this section may include any timber on the land involved if the  
10 value of such timber is established as provided in subsection (3) of this section.

11 (5) The **governing body of the county** [*court*] shall reserve all rights of way in all lands ex-  
12 changed as provided in subsection (1) of this section to permit proper administration and manage-  
13 ment of county lands and forests retained or received in exchange by the county.

14 **SECTION 30.** ORS 275.360 is amended to read:

15 275.360. Certified copies of all orders of the **governing bodies of the several counties** [*several*  
16 *county courts*] made under ORS 275.320 to 275.340 affecting the title or status of real property shall  
17 be recorded in the deed records of the county in which such lands are located.

18 **SECTION 31.** ORS 275.370 is amended to read:

19 275.370. All deeds and conveyances of the **governing bodies of the several counties** [*several*  
20 *county courts*] executed and delivered prior to January 1, 1941, conveying real property theretofore  
21 set aside by [*such county courts*] **the governing bodies of the several counties** as public parks and  
22 recreational areas under ORS 275.320 hereby are validated and declared to be legal and of full force  
23 and effect, both in law and in equity.

24 **SECTION 32.** ORS 312.260 is amended to read:

25 312.260. (1) If the title to lands acquired by any county by tax foreclosure was fraudulently  
26 concealed from the rightful owner, devisee, beneficiary, heir, creditor or other person having an in-  
27 terest therein, or was unlawfully obtained, held or controlled by or through fraudulent conveyance  
28 or other fraud, without knowledge on the part of such person, such person shall be entitled to a  
29 conveyance of the lands by purchase from the county [*for cash or*] by a **purchase** agreement pro-  
30 vided in ORS 275.190 (1) at a price equivalent to the delinquent taxes thereon, with interest and  
31 without personal property taxes charged against the land, including lands of which the wrongdoer  
32 is owner of record or assignee of owners of record impressed with a trust for the benefit of such  
33 person or deeded or assigned to such person by the wrongdoer pursuant to any suit, action, pro-  
34 ceeding or settlement respecting the fraudulent concealment or unlawful holding or control.

35 (2) Such person may cause to be filed with the county clerk of the county at any time while the  
36 title to any such lands is held by the county, written notice of intention to purchase the lands or  
37 any part thereof under this section, describing the lands. The notice shall be acknowledged and re-  
38 corded in the deed records and a copy thereof served upon the district attorney of the county. The  
39 purchase of the land shall be completed by cash or execution of the agreement within one year from  
40 the filing of the notice or the final determination of the suit, action, or proceeding.

41 (3) This section shall not apply to or affect the title to any such lands dedicated to public use  
42 or conveyed by the county prior to the filing of the notice, but shall apply to lands sold by the  
43 county to an innocent purchaser under contract, in which case such person succeeds to the interest  
44 of the county in the contract subject to the rights of the innocent contract purchaser.

45 **SECTION 33.** ORS 275.100 and 275.230 are repealed.
