

Senate Bill 309

Printed pursuant to Senate Interim Rule 213.28 by order of the President of the Senate in conformance with pre-session filing rules, indicating neither advocacy nor opposition on the part of the President (at the request of Senator Kurt Schrader)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**.

Requires that Public Utility Commission issue amended certificate of authority to cooperative corporation or unincorporated association providing intrastate telecommunications services upon submission of revised service area map showing additional areas to be served by corporation or association.

A BILL FOR AN ACT

1
2 Relating to certificates of authority issued by Public Utility Commission; amending ORS 759.025.

3 **Be It Enacted by the People of the State of Oregon:**

4 **SECTION 1.** ORS 759.025 is amended to read:

5 759.025. (1) Notwithstanding ORS 759.020, the Public Utility Commission shall issue to any per-
6 son, company or corporation providing intrastate telecommunications services that are subject to
7 regulation by the commission on January 1, 1986, a certificate of authority to continue to provide
8 those services on and after January 1, 1986.

9 (2) Notwithstanding any other provision of law, the commission shall issue
10 to any cooperative corporation, or unincorporated association providing intrastate telecommuni-
11 cations [*service*] **services** on January 1, 1986, a certificate of authority to continue to provide those
12 services on and after January 1, 1986.

13 **(3) Any corporation or association that has received a certificate of authority under**
14 **subsection (2) of this section may file with the commission a revised service area map ap-**
15 **proved by the governing body of the corporation or association. The revised service area map**
16 **must show all areas served by the corporation or association and all additional areas that**
17 **will be served under an amended certificate of authority. Upon receipt of the revised service**
18 **area map, the commission shall issue an amended certificate of authority authorizing the**
19 **corporation or association to provide telecommunications services in all service areas de-**
20 **scribed in the map.**

21 (4) [*Such actions shall not subject such cooperative corporations or association to the commission's*
22 *general powers of regulation.*] **Issuance of a certificate of authority under subsection (2) of this**
23 **section, or an amended certificate of authority under subsection (3) of this section, does not**
24 **subject a cooperative corporation or unincorporated association to the commission's general**
25 **powers of regulation.**
