Senate Concurrent Resolution 7

Sponsored by Senators MONNES ANDERSON, NELSON; Representative FARR (at the request of Oregon Telecommunications Coordinating Council)

Whereas local partnerships and coalitions are forming in all areas of the state to address health care workforce shortages in local areas; and

Whereas Oregon's Statewide Simulation Alliance is fostering a statewide network of industry and education partner coalitions formed to implement the use of simulation technologies in health care workforce education; and

Whereas the Oregon Consortium for Nursing Education is building a statewide nursing curriculum based on required nursing competencies that will be delivered around the state in Oregon Consortium for Nursing Education programs; and

Whereas the Community College Healthcare Action Plan initiative is working with and for the 17 community colleges in this state to address local and statewide health care workforce education in community colleges; and

Whereas the Oregon Telecommunications Coordinating Council was charged with providing a report and recommendations on the statewide needs for telecommunications infrastructure and establishing and implementing curriculum applications using distance learning and e-learning modalities by the passage of House Bill 2577 by the Seventy-second Legislative Assembly; now, therefore,

Be It Resolved by the Legislative Assembly of the State of Oregon:

That we, the members of the Seventy-third Legislative Assembly, acknowledge and endorse the collaborative work of industry, education and agency partners to develop and implement health care education initiatives to expand access to and capacity of health care education programs.
