Bentz To Speak At Oregon Rural Electric Cooperative Association “Legislative Day”

On February 15, Representative Cliff Bentz will speak to electric cooperative utilities leaders from around the state at the Salem Convention Center. The Oregon Rural Electric Cooperative Association (ORECA) is hosting its “Legislative Day” on Feb. 15, and has invited Rep. Bentz to be the luncheon speaker.

Rep. Bentz plans to discuss the progress of the 2011 legislative session in light of the unique challenges presented by the evenly split Oregon House of Representatives, and legislation relevant to the state’s utilities industry.
