**HOUSE DEMOCRATS PROPOSE 1280 PERCENT TAX INCREASE  
ON OREGON BUSINESSES**

*Rep. Scott: 'David Edwards Tax Increase' Hurts Economy, Jobs*

SALEM—House Republican Leader Wayne Scott (R-Canby) had the following to say regarding a corporate minimum tax increase being proposed by Rep. David Edwards (D-Hillsboro) and House Democrats:

“This is a tax increase on every business in Oregon, from Enron on down to Mom and Pop.

“According to their own numbers, House Democrats want to raise taxes on the average business by 1280 percent.

“House Republicans oppose irresponsible tax increases that are harmful to our jobs and economy. The ‘David Edwards Tax Increase’ is no different.”
